

DISCLAIMER: the following document is a COURTESY offering complied by one of my moderators to assist folks who may be interested in the U.S. Refugee Resettlement Offer. Neither my moderator or I work for, nor are we affiliated in any way with the U.S. Government.

The purpose of these “crib sheets” is to assist you in compiling (for your OWN use) data which an interviewer is likely to ask you when you sit down for a refugee resettlement interview to re-locate to the USA. This list may not be all inclusive of the things you may be asked. Remember that the interviewer has a responsibility to ensure only QUALIFIED applicants who present no threat to Americans are allowed to enter the USA.

We make no promises nor suggest the form helps you with your application. The line of questioning is one shared by a source who went for a second PRELIMINARY interview during the Department of State’s March 2025 FACT FINDING effort in South Africa.
