

LABLARINGKIM HAYF ERUR...

Lablaringkim hayf erur teng tutmoq oni qand ila,
Sindirur yuz qand bozorini shakkar xand ila.

Toki hayronmen senga nomus ila itmish ko'ngul,
Telba yanglig'kim, qochar el g'ofil o'lg'ach band ila.

Odam ul soatki jannat ichra avlodin ko'rar,
Ne quvong'ay dam-badam sen nozanin farzand ila.

Qo'y nasihat, zohido, o'tlug' damimdin vahm qil,
Telba it imkoni yo'qturkim, sog'alg'ay pand ila.

Hojatingni elga arz etmakka hojat bo'lmasun,
Xush chiqishsang lahzani bu zori hojatmand ila.

Lablaring hajrinda yur parkandkim bo'lmish ko'ngul,

La'l erur mahlul qon o'rnig'a har parkand ila.

Chun Navoiy ko'ngli sindi, emdi lutfing ne asig'?

Kim ushatsa shishani bitmas yana payvand ila.

OSHIQ O'LDUM

Oshiq o'ldum, bilmadim yor o'zgalarga yor emish,
Olloh-olloh, ishq aro mundoq balolar bor emish.

Qaddig'a el mayli bo'lg'ondin ko'ngul ozurdadur,
Ul alifdin zorlarning hosili ozor emish.

Elga novak urdi, men o'ldim erur bu turfakim,
Jonim etgan resh el bag'rig'a kirgan xor emish.

Rishtakim, muhlik yaram og'zig'a tiktim angladim,
Kim kafan jinsi qirog'idin suvurgan tor emish.

Ko'yi devoridin og'riq tang'a tushgan soyadek,
Sel g'amidin emdi soya o'rnig'a dildor emish.

Jong'a taxvif ayladim tig'i halokidin aning,
Bilmadim bu ishdin ul o'lguncha minnatdor emish.

Ey Navoiy, xo'blarni ko'rma osonlig' bilan,
Kim biravkim soldi ko'z, uzmak ko'ngul dushvor emish
