Hello Friends!

I'm Beyza.

Thank you so much for liking and purchasing my pattern.

The height of Cowgirl Jessie 23 cm.

First of all, I would like to point out that I crocheted this doll with 1.75 mm crochet using the cross stitch technique. When crocheting with a different yarn or straight frequent needle, there may be shifts in the increments and decrements of the recipe. You may need to adjust it according to your own hands. :)

You can send your questions to me via my instagram address.
