

# Ethiopian Higher Education **Exit Exam Practice** With Electronic Learning & Testing System (e-LTS)

## **Selected courses for Exit Exam of Mechanical Engineering**

1. Engineering Materials (I & II)
2. Strength of Materials (I & II)
3. Manufacturing Engineering (I & II)
4. Fluid Mechanics
5. Heat Transfer
6. Engineering Thermodynamics (I & II)
7. Mechanism of Machinery
8. Instrumentation and Measurement
9. Introduction to Mechatronics
10. IC Engine and Reciprocating Machines
11. Machine Elements (I & II)
12. Turbo Machinery
13. Refrigeration and Air Conditioning
14. Maintenance of Machinery (Maintenance of machinery and Installation)
15. Industrial Management and Engineering Economy
16. Materials Handling Equipment
