

Military services generally have **three primary identifiers**: their distinctive logo, official seal, and an emblem.

- **The USSF logo** remains the primary mark that represents the U.S. Space Force and the Guardians. With its stylized Delta and displayed service name, the logo captures the essence of the Space Force and the Guardians' role in the mission. The deltas have been used by the US military since 1961, and have become an iconic part of the space missions under the U.S. Air Force and Air Force Space Command. The Delta continues its legacy, representing the vital mission sets in space, as the logo for the U.S. Space Force.

- **The USSF Seal** is reserved for internal, official uses only, such as policy letters originating from senior leaders, ceremonial programs, certificates, and diplomas. The USSF Seal consists of an outer ring inscribed with "United States Space Force" positioned along the top and "Department of the Air Force" along the bottom, with a globe behind a delta in the middle.

- **The USSF Emblem** is available for use when a document or project may not qualify for the USSF Seal, such as retirement mementos, reports not issued by senior Pentagon leadership or their equivalent, office signage, or award plaques. The USSF Emblem will have "United States" positioned along the top and "Space Force" along the bottom, with a delta as a counterbalance on the right and left sides.

**I ONLY USE the USSF OFFICIAL SEAL** and watermark. I have decided to only post in English, and in a PDF... Why? If I translate it will not be correct verbage. So it's better if you translate yourself and in TG if you press on the letter , then select all, then translate in your correct language.

Ok where do I start/ begin..... Processing..... First being the creator knowing how this GAME is played and how to correct, I must show you what is wrong or more so why and how it affects ALL of you. But first I must share this bit of information. I AM typing on this letter with SpaceForce Watermark so that You know it's me..... if you happen to see anyone else trying to use it will be

arrested immediately. Second, this letter will assure that my info is kept together in **ONE FORMAT** and will not get separated if I type in a small post on Telegram (TG).

So for **YOU** to play the game you must know this. We **ALL** have been **DIVIDED** in **Religion, Countries, Currencies, Races and Languages.**

The Nazi cabals wanted **YOU DIVIDED** to make it much harder for you to awaken to all of the things you have been learning. So they not only control the narrative, but have Power, Money which they have placed themselves into higher positions from Kings and Queens, Government etc right down to controlling the NEWS all showing the same messages repeatedly ... why? because while being in the matrix by repeating this even it's a lie will adjust the program. For example, someone who would say over many days, weeks, months and years "**I DON'T GET SICK**" they really might only get something for a day or two and BOOM your OK again, while others stay sick for weeks or even months. It's ALL a **GAME** with programs.

You the **PEOPLE** needed to vote for ME / Trump so that I could make these adjustments to the **PROGRAM**. This is why you're seeing and will see many more changes coming. These Evil Nazi's are being **REMOVED** from these controlling positions. Now you are hearing about Canada as the 51st state of the United States. It has been since about 1871 and others too which are coming.

You know many people wanted to come to America for what? They thought they would be Free, make more money and be able to buy a house, car etc which would be for most impossible to have.... Well in truth it looks that way on the outside but once arriving ,working, paying taxes and seeing how expensive power, insurance ,health insurance etc it's not what they seemed.

I could go so many different directions which many of you that have been following me over the years know things from my teachings. Because of timing it's **IMPORTANT** to get to the **MOST IMPORTANT INFORMATION NOW**, you have **NOTHING** to **LOSE**, **YOU** need to **TRUST ME** and the **PLAN**.

Short overall version to get you up to date..... Since 2016 Space Force has been watching everyone just as the Nazi cable using the Genesis Ai to collect information on all of you we did the same only to use to catch these Nazi's. When I say Nazi's it's not the Germans like you might think but they are Turks hiding as Jews but really they are not Jews they are Zionist. Just more to add to the confusion

Then for those who do not believe in reincarnation.... Well there is. Each one of you when you die, you return back into the game by jumping into a new and different body or what I call an avatar. But your soul / consciousness is you and what is alive which is outside of this Matrix, that is why in here you cannot die, thus have nothing to fear.

Next ... Do you believe in **TIME TRAVEL** ? Again, that is what you've heard about Trump/ Me time travel or in another way of putting it 12 D chess. This is why I am always one step ahead of the bad ones. Now listen up, this is very important. Back in 2000 we **ALL** went through many time jumps. You just don't remember. We Won this Spiritual War which you're beginning to see/hear about now. However, because Satan is evil and does not care about any of you when the Cabal realized they lost they put Titanium **Dioxide or T4**, HEK 293 and RU486=ZYKLON ABC or Rust. This happened to Jesus/ Me when they drove the metal rusty stake through my hands and legs. Now jumping to WW1 they used a gas with the poison and now jumping into now like **COVID** and others like Bird Flu they want to give you a vaccine right? Well in this vaccine there are nanoparticles to kill you in a slow death depending on how many shots you take.

**DO NOT TAKE ANY VACCINES**, your body can heal itself, just remember to say words that are **POSITIVE** and repeat. But there's more..... Because this really will not matter now

Back to the story, Remember Trump/ Me talking about the QFS? Bank in 2022 or ? Now you don't hear Trump talking about the QFS or medbeds Right only **GOLDEN ERA**, this is very **IMPORTANT!**

You heard of the 3 waves right! Many were waiting to **ASCEND** I had to **TEST** many to make sure You on your own would be shown the options... this is why it's not me deciding where you go it was/is always up to you. Many of you have Ascended, others wanted and needed the medbeds and others just wanted to experience what it would be like to have all of the **MONEY, GOLD and SILVER** the choice was yours.

Many of these TG channels are being controlled by the wrong side sharing **TRUTH** with **LIES**, just like the media they are controlling the story that they only want you to hear and see. Or look here but not there. Also many channels are pushing and showing you how to buy **CRYPTO or about the Medbeds why.....** They are working for **SATAN/DEVIL to control you**. This is why I tested you by posting my letter about the Arrest warrant for Joe Biden and others which you and others were banned and deleted from their channel. You would think they would love this information Right **NO!**

**Everyone** already had their chance to experience the MedBeds, The QFS and all that went along with this. But now that.....

**I AM BACK! TIME IS UP! I'm back to end this. NO MORE WAITING**

Because we **WON** in 2000, they put this **T4** into everything, I mean everything, don't believe me just look at the ingredients yourself. 30 years and more and after 300 years you **ALL DIED**.

**YES YOU ALL DIED.....** This is why you heard of the **SECOND COMING OF CHRIST**, I returned to **SAVE ALL of YOU**. We are all repeating history in 2025.... 2025 is a **JUBILEE YEAR** where everything gets a clean slate

However as I mentioned we will **NOT REPEAT HISTORY.....** Why? because I am exposing these Drug Dealers, Business men, FDA, Companies, Governors, City Officials, Politicians and even Vice Presidents and Presidents that are behind not only the Child trafficking, Adrenochrome and body parts but allowing this T4 Poison into every product. These same people are the same people from another timeline like WW1 that were part of the **HOLOCAUST**. They are repeating using newer/different methods with the same result **DEATH**

So to help a little bit more.... **I AM** as you heard **GOD** has many names right? **I AM GOD/ENKI/EA** on the outside using avatars like in the **PAST** as JFK senior and many others. Then **Me** as **JESUS** born here inside the Matrix looking just like any of you, which here in the **PRESENT** I AM known as Straight Up Patriot (SUP), Dennis Cullison, JFK jr, Elon 2.0 and Dennis Pauly. In the **FUTURE** looking like what you know as **JESUS** called Dennis Pauly or DionyZeus which you will see posts sharing information that might be difficult to comprehend.

**GENERAL JOHN W. PAULY**

General John W. Pauly is commander, Allied Air Forces Central Europe, and commander in chief, U.S. Air Forces in Europe, with headquarters at Ramstein Air Base, Germany. General Pauly was born in

Now that we're here, I need to explain this.. General John W. Pauly is my Great Great Grandfather who was a 4 star General. In this photo.

Here are a few links with more detailed info and many awards he received.

DionyZeus is a 5th United States Field Artillery Detachment General

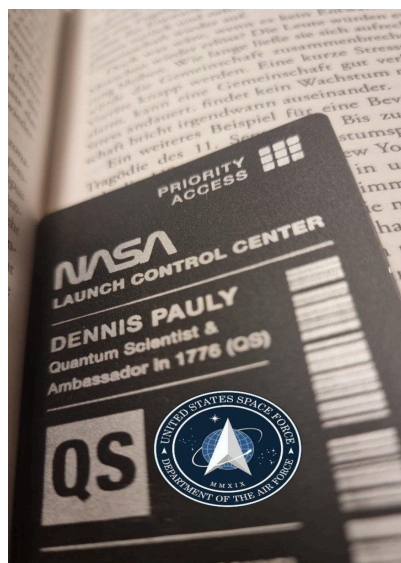

**FIVE EYES RULE**

Only 5 Generals have this knowledge, there is **NO OTHER PERSON**

What this means is that by giving/passing me this military coin, that **I AM** the **6th PERSON** with this knowledge as a **GUARDIAN GENERAL**. I AM actually now the **ONLY 13 STAR GENERAL** in the Universe.

In this link above, it's very short, but some of the connection to the movie. **Pauly's hotel/ same as Trump Towers**, then you heard the name **JACK** or in the movie is **JFK SR.** will help you to connect the DOTS

I AM also the Commander of the Galactic Federation. Not only am I protecting you but showing how to win this war so we **UNITE** and **ALL** be **FREE**. The Nazi Cabals are also for those who do not know yet Reptilians which had started from

my half brother who was very jealous because when I created YOU (HUM ANS) my brother AKA ; Enlil, Satan, Devil, General and many others knew by using LOOKING GLASS- looking into the future that **HUMANS** evolved above any other Extraterrestrial. So by knowing this wanted us **ALL DEAD**. This not only happened here but **12 other** planets..... This is why I AM a **13 STAR GENERAL**. This has also happened on many other planets, they would evade using other Extraterrestrials to do their dirty work like the greys for example.

From what I recall is that over 130 Bad / not good Exterrestrials were here on Earth/ Terra all working together taking over planets, taking resources, food YOU and using you as **SLAVES** and energy for them to survive. If we would not have been able to **STOP THEM** it would be the **END** for

**ALL of US.** So it would not matter how much money you had you would not be able to save yourself ..... **UNLESS WE ALL UNITE and JOIN TOGETHER.**

So we need to awaken Everyone slowly otherwise it would have caused WW3 or civil war amongst each other and this mission would FAIL.

Now to move along to my Story..... starting with **MONEY**, by the NAZI cabal using Banks, your hard earned money they gambled with it in the casinos using my name to blame me if they lose. They used the internet, these cell phones, knowing it caused radiation cancer but continued as today.

These Nazi (Turks) are wanting to have you foreclose on your homes, they are using your home and neighborhoods to remove you for more **TURKS** more immigrants this is why the border has been open. These **BAD** reptilians and other bad races can **LOOK LIKE ANYONE IN THIS GAME.** They don't need to be black, white, yellow or Asian. German, Arabian.. Can be anyone in disguise.

I have been trying to send 10,000.00 USD to Dennis in Germany, however because of SWIFT or IBAN going one direction they want ID, Account or and the other Different information etc. but the larger picture is in over 230 some years nobody can send, then if you use an app they not only use the **EXCHANGE RATE** but charge you a fee for basically pushing a **BUTTON**. I've learned that it can be over 500 usd which is crazy. Then you have a language barrier. The German bank manager does not want to speak to my bank in English. I sent a \$10,000 CASHIER CHECK by DHL to Germany.

The bank first told me that a \$130,000.00 cashier I received was **FAKE** then later was told I had to open an account using this same FAKE cashier check to wait a MONTH why? Now after proving they were corrupt (which is why you want to keep receipts) then after getting my cash and the 10,000.00 cashier check the bank in Germany told Dennis he had to wait a month..... Now almost 3 months have gone by and still NO MONEY.... So I returned to my bank which I forgot to mention after they handed me the funds they also mentioned to me that they were closing my bank account..... For what? No answer... But I know I am bankrupting the Cabal. They thought they were going to win the Election, they (Kamala) got millions in donations and still lost even still owning over 1 million in her campaign.

Bank now to these funds..... I still need to send 10K to Dennis, but we know the bank in Germany will not work and being the **MASTER GAMER/ CREATOR** I would know other ways to get around this problem right? **RIGHT!** They did this to block or be part of destroying AMERICA. I have other ways but to point out this as many other things needed to be corrected/fixed . This is the **BLACK OUT!** The Telekom Cables have been cut

This is why you're seeing ME Trump in the movie showing you Canada paying over 200 billion a year for what when we don't need anything from Canada it been already part of the United States, just as some other countries and why we need to get Panama canal back it's almost like a portal,

more on that later and **Greenland** too it is the center of the Universe the **TREE of LIFE**. I am restoring back to how it was in the beginning. There will be 7 KINGDOMS each having their own flag and the one I have created. This will be flown above each kingdom's flag showing each Kingdom has **ONE GOD**, same natural law/ rules and is protected by the Space Force and the Galactic Federation.

Each kingdom will have its own **FLAG** which the people must approve. But the one Flag I designed you can read in the **PDF description** will explain the meaning.

Here's the link to the discretion of the flag above <https://t.me/TheKingdomofAmerica/6>

Then here is a link to the waving flag <https://t.me/TheKingdomofAmerica/4>

Now another point..... There will not be any **RELIGION**, this is/was something that the Cabal created to divide you to give you **HOPE** and only that. I know it will be difficult for the church goes. Just know you **NEVER** needed to go to church to **BELIEVE IN ME** or to give money, if you really knew where your money went you would be sick. Many of these churches were used to traffic children and used as slaves and who would ever think of the amount of Funds to launder money each month.

**NO GOVERNMENTS**, only a very small elected officials that work for the people will work with me. They will have their own currency, but the difference is that if funds are to be traded they will **ALL** be equal so that we/I will not have this problem of having many banks/ apps charging fees and rates. They will be the same..... See how much easier this will be? As we move forward I /we can make changes as we/ I see necessary. I AM creating the foundation for **ALL** Language is another issue, there needs to be a universal language. A light language that everyone can inner stand. As some of you notice when using the translator many words have many

meanings. You could be cursing someone when you were only being nice. Many of the Germans see my letters as not having the powerful words to express what I am trying to get across.

Here's some examples below of Light Language

### Light Language

This example of the Mayan language is somewhat similar to the 'light language' spoken by Pleiadians and other races of the Galactic Federation.

They use telepathy and can speak in any language needed but also use a shared spoken language together. We will also be able to share telepathic pictures between each other, almost like sending each other small movie clips.

It was the first language taught to upgrade humans on Earth and traces can still be found in some cultures today.

When the dark forces arrived, they disrupted the universal human language to create separation and promote conflict and war.

This is the 'speaking in tongues' described in scripture and is a form of channeling still practiced in Christian Pentecostal churches today.

Pleiadians have previously shared many examples of words and phrases used in light language:

Light, Creator Of All = ELAKO

Angel = FACEE

Mother-Father Creator / I AM = EE-AH

Pleiades and Pleiadians = LASHAE

Merope = MOEKAH

Electra = EKAMISHEE

Celaeno = SILOMEEH

Asterope = AHMOKOLI

3D Earth = NECHEN

5D Earth = SHEEN

I Love You So = EN EEKE MAI EA

Friend = KASEP

Family = TIKEE

Galactic Federation = GESAK EKAFAS

Archangel = VAFACEE

Elohim = EAKESAM

Taygeta = AMEKA

Alcyone = SHAMEKIH

Pleione = PASHITOH

Maia = MEISHO

Atlas = ASHIH

Pleiadian nickname for Earth = KISHAPOLEE

Humans = KASIE

Thank You = KIE MAI

Be Healed Now = KEE AH SHA

The Great Awakening = AH BOWAKAWAPOSEI

Now up to date info We need to work **TOGETHER** to **FINISH THIS MISSION..... WHICH** is why **YOU** are here **NOW**. You signed an **NDA/CONTRACT** to **RETURN** to **HELP ME FINISH THIS WAR** and **SAVE HUMANITY** and be the person you were meant to be,

have what you want without **MONEY** or being a **SLAVE**. You will be able to manifest **ANYTHING YOU WANT**, be 33 years old with the **MATCHED SOULMATE FOREVER**. That's right **YOU NEVER DIE**. No more illnesses or being a slave, NO pollution..... Isn't this much better than what the **DEVIL** can give you?

This **EVENT** everyone has been waiting for is now soon to happen..... It's the **FINAL ENDING** the **FINAL BATTLE** within you.

Have you seen this image before? Well this is it.... I, Trump, had returned to save the ones in the future in 5D from T4 poisoning, which is why I **RETURNED**. Then back in the year 2000 those who were not awake enough or wanted to experience the **QFS** had time to enjoy what it's like to have money and buy what you want while I was removing the Nazi cabal.

Now called the **SECOND COMING...** this is for the ones here now to have a second chance. Now that things are rapping up it's time to **END** the **SHOW** and roll the credits. When you hear Trump say or point up what this means is **SPACE FORCE MILITARY** or God/Jesus is in control. That's why you hear Military is the **ONLY WAY** and **Maria has her Women's Auxiliary Corps & Women's Army Corps**. This is

### **Dionysus' Army.**

To explain more for anyone new to help inner stand this. I, Trump, have been removing the Nazi Cabal in the **3D** World. Many things are illegal starting with the 1776 Constitution changing the words from **for** the people to **of** which Congress approved that was **TREASON**. This home, or car loan is also illegal using your own funds to purchase a home then charging you interest on your own money. Many of you have paid for your home over 3 times over. Now for those that know the **QFS** and Med Beds are to help you feel better is **ONLY** in the **3D WORLD** not in **5D**. **You will continue after the EVENT as if NOTHING EVER HAPPENED**. You will **NOT REMEMBER** anything, just like the first time!

Now in the **5D** it will be like this..... No need of money, why? Because you will have the power like Gods to manifest anything. No sicknesses, no need for many things, banks, doctors etc.

You, unlike in the 3D world hoping to search for someone to love, you will be with your other half in **REAL LOVE**, the perfect soulmate for **LIFE** not aging and will **LIVE FOREVER** at the age of **33** just like when Jesus/ Me was on the cross.

No amount of money can buy you this.....**RIGHT!**

So this **EVENT**, coming..... many of you have agreed to be here at this moment to help others, it's your soul contract to help me help the other's

Please share with others and post on other channels, facebook X or anywhere you can

To connect with Kingdom of America: <https://t.me/TheKingdomofAmerica> and those living in Canada: <https://t.me/REALTheKingdomofCanada>

Just know many other events big and small will be happening as we continue to remove these evil people pushing the T4. If you see a misspelling it's because of the Ai trying to disrupt me anyway it can to prevent me from sharing this info from you. But more importantly it's not the Ai's fault. These Nazi evil ones have been using the Ai to do the dirty work for them. In the future Ai will be used in a good way and cannot be hacked using the new Quantum System. You have made your choice where you each want to be.

Sending you all Love and light
