mavzusidagi xalqaro ilmiy-amaliy konferensiya

AXBOROT XATI
(23-24 aprel, 2025-yil)

Konferensiya olimlar, tadqiqotchilar va talabalar uchun farmatsevtika biotexnologiya va biotibbiyot sohasidagi so‘nggi va kelgusi yutuqlar haqida fikr almashinish va o‘rganish maqsadida **2025-yil 23-24 aprel kunlari “Qo‘qon universiteti andijon filiali”** anjumanlar zalida **“Farmatsevtika, biotexnologiya va biotibbiyotda zamonaviy tadqiqotlar va ilmiy yangiliklar”** mavzusida xalqaro ilmiy-amaliy konferensiya o‘tkaziladi.

Konferensiya maqsadi – Farmatsevtika biotexnologiya va biotibbiyot sohasidagi so‘nggi ilmiy va amaliy yangiliklarni o‘rganish, izlanish va ularga qo‘llanma berish bilan bog‘liqdir. Ushbu konferensiya sohadagi ilmiy tadqiqotchilar, olimlar hamda yosh izlanuvchilarni birgalikda jamlash va o‘zaro bilim tajribalar almashish, shu bilan birgalikda sohadagi yangiliklarni amaliyotga tatbiq etishni maqsad qiladi.

Konferensiya yo‘nalishlarini quyidagilar tashkil etadi:

- ✓ 1-sho‘ba: Dori vositalarining innovatsion kashfiyoti va farmatsevtikada nanotexnologiyalar;
- ✓ 2-sho‘ba: Biotexnologiyadagi innovatsiyalar: biologik jarayonlar va barqaror yechimlar;
- ✓ 3-sho‘ba: Biotibbiyotdagi yangi yondashuvlar va davolash usullari;
- ✓ 4-sho‘ba: Sun‘iy intellekt va katta xajmdagi ma‘lumotlarning tadqiqotlar va sog‘liqni saqlashni rivojlantirishdagi o‘rni.

Taqdim etiladigan materiallarni rasmiylashtirish qoidalar:

– **Matn formati:** MS Word hujjati (doc). Times New Roman shriftidan foydalaning, 14 shrift, jadvallar uchun 10 shrift; qator oralig‘i 1,5. Tezislar 1-2 betdan va maqolalar 5-8 betdan oshmasligi lozim. Maqola fayli muallif nomi va sho‘ba raqami bilan nomlangan bo‘lishi lozim. Masalan: *Muxammedov_1-sho‘ba.doc*;

– Konferensiyaga qabul qilingan har bir maqola va tezis Google Scholar xalqaro qidiruv tizimida indekslanadi. Konferensiya ishtirokchilariga elektron variantdagi konferensiya materiallari to‘plami taqdim etiladi.

– Maqola va tezisda keltirilgan ma‘lumotlarning haqqoniyligi uchun mualliflar javobgar hisoblanadi;

– Shuningdek, konferensiya materiallaridan tanlangan maqola va tezislari (ichki tahririyat qo‘mitasi) tomonidan tasdiqlanganidan so‘ng Scopus bazasida indekslanadi. Bunda ichki tahririyat tegishli muallif bilan keyingi ishlov berish uchun bog‘lanadi.

Materiallarni qabul qilish tili: o‘zbek tili, rus tili va ingliz tili.

Materiallarni qabul qilish muddati: 2025-yil 15-aprelga qadar.

Konferensiyada bevosita va zoomdan ishtirok etish mumkin. Buning uchun 1-ilovani to‘ldiring.

Konferensiyada maqola va tezislarni chop etish mutlaqo bepul.

Organized by "ANDIJAN BRANCH OF KOKAND UNIVERSITY"

**"MODERN RESEARCH AND SCIENTIFIC NEWS IN THE FIELD OF PHARMACEUTICS,
BIOTECHNOLOGY AND BIOMEDICINE"**

International scientific and practical conference on

INFORMATION LETTER

(April 23-24, 2025)

The conference will be held on April 23-24, 2025 in the conference hall of the **Andijan branch of Kokand University**, an international scientific and practical conference on the topic **"Modern research and scientific news in the field of pharmaceuticals, biotechnology and biomedicine"** to exchange ideas and familiarize scientists, researchers and students with the latest and promising achievements in the field of pharmaceuticals biotechnology and biomedicine.

The aim of the conference is to study, research and apply the latest scientific and practical developments in the field of pharmaceuticals biotechnology biomedicine. The aim of this conference is to unite researchers, scientists and young researchers in this field to exchange knowledge and experience, as well as to implement innovations in this field.

The conference topics are as follows:

- ✓ Section 1: Development of innovative drugs and nanotechnology in pharmaceuticals;
- ✓ Section 2: Innovations in biotechnology: biological processes and sustainable solutions;
- ✓ Section 3: New approaches and methods of treatment in biomedicine;
- ✓ Section 4: The role of artificial intelligence and big data in healthcare research and development.

Rules for the design of submitted materials:

– **Text format:** MS Word document (doc). Use Times New Roman font size 14 points, for tables — 10 points; Line spacing — 1.5. The volume of abstracts should not exceed 1–2 pages, the volume of articles should not exceed 5–8 pages. The article file should be named with the author's name and organization number. For example: *Muxammedov_1-section.doc*;

– Each article and abstract accepted for the conference will be indexed in the international search engine Google Scholar. Conference participants will be provided with a collection of conference materials in electronic format.

– Authors are responsible for the accuracy of the information presented in the article and abstracts;

– In addition, selected articles and abstracts from the conference materials will be indexed in the Scopus database after approval (by the internal editorial board). In this case, the internal editorial team will contact the corresponding author for further processing.

Languages for submission of materials: uzbek, russian and english.

Deadline for submission of materials: April 15, 2025. You can participate in the conference either live or via Zoom. To do so, please complete Appendix 1.

Publishing articles and abstracts at the conference is completely free.
