

Read the following passage and answer the question. Because deaf people cannot hear, they have special ways of communicating. For example, they can learn to understand what someone is saying by looking at the mouth of the speaker. This is called lipreading. Also, speaking is very difficult for the deaf because they cannot hear their own voices. However, it is possible with special training. According to many deaf people all around the world, the most practical and popular way of communicating is with sign language. What is the passage's primary focus?

- ☐ a. Technology for hearing aids
- ☒ b. Communication strategies for the deaf
- ☐ c. History of deaf education
- ☐ d. Causes of deafness

Read the following passage and answer the question. Because deaf people cannot hear, they have special ways of communicating.
