

Pre-Appointment Guide

Introduction

The world as we know it is changing. We are returning back to a world that God intended for us, one that has been taken from us and held back for generations. Over 20 years ago an Alliance began creation of the Quantum Financial System (QFS) to replace the old Central Banking system, and to bring humanity out of a debt slavery system.

The revaluation (RV) and exchange of depressed currencies, and redemption of Zim bonds will create massive funding for humanitarian projects. Upcoming appointments will be conducted by the Alliance and QFS agents at redemption centers to release these funds to those with noble humanitarian projects. We are blessed to serve as caretakers to implement these humanitarian projects, and help transform our world back into one of peace and prosperity.

When your project is approved its understood that a project manager and a professional team will see your project through with some level of your involvement. Have no fear, God is in control. Best advice is to remain heart centered with your intentions and actions.

Pre-Appointment Checklist

Currency / Bond Tally

For your personal records, record your currency and bonds.

For your personal records, photograph your currency and bonds showing each serial number.

Contacts Information

Apparently no electronic devices will be allowed at the appointment. Prepare a list of your:

- Personal Information
- Designated Beneficiaries to transfer your assets to upon a sudden death.
- NDA Exempt Individuals to discuss your project with.

Your communication will be monitored for 90 days.

Violators may lose project funding and personal funds may drop to Tier 5 rate.

Humanitarian Project to present

Revokable Trust to protect you and your assets, and keep you anonymous.

As Trustee, you'll own nothing, but control everything: Funds, houses, cars, etc.

You potentially may use your EIN# to open new QFS account(s) and deposit your funds.

- Create an EIN at IRS.gov with a unique company name that keeps you anonymous.
- Setup a Revokable Trust matching your EIN company name. (RocketLawyer.com)
- Print and get your Trust notarized.
- In Appendix A, write your currencies, denominations, and amounts. (Currency / Bond Tally)
- After the appointment you'll need to setup a new proper Trust.
