Getting Around Moscow and to MGIMO

Moscow's city surface public transport operates daily from early morning until late at night. You can find bus, electric bus, and tram schedules at all stops, on the "Moscow Transport" website or the Moscow Metro website, and in the "Moscow Transport" mobile application.

You can pay for travel with a city ticket (cards "Ediny," "Troika") or by bankcard (in the metro).

More details about public transport in Moscow:
<https://www.mos.ru/otvet-transport/vse-ob-obschestvennom-transporte-v-moskve/>

Taxi: To order a taxi, use the Yandex website or application (Yandex Go:
https://taxi.yandex.ru/ru_ru/)

MGIMO is located at 76 Vernadskogo Prospekt.

How to Get to MGIMO by Public Transport:

Take the Moscow Metro to the "Prospekt Vernadskogo" station on the Sokolnicheskaya (Red) line. Take the first car from the center. At the exit towards the MKAD, you will find bus stops for routes 715, 788, 793, 810, and 830. You can take any of these to the "MGIMO" stop (the number of stops depends on the route number, but all these buses turn right from Vernadskogo Prospekt onto Lobachevskogo Street, where the University is located, and stop opposite it). The stop after "MGIMO" is "Academy of Labor and Social Relations," which is located directly opposite the new building and closer to the entrance than the "MGIMO" stop.

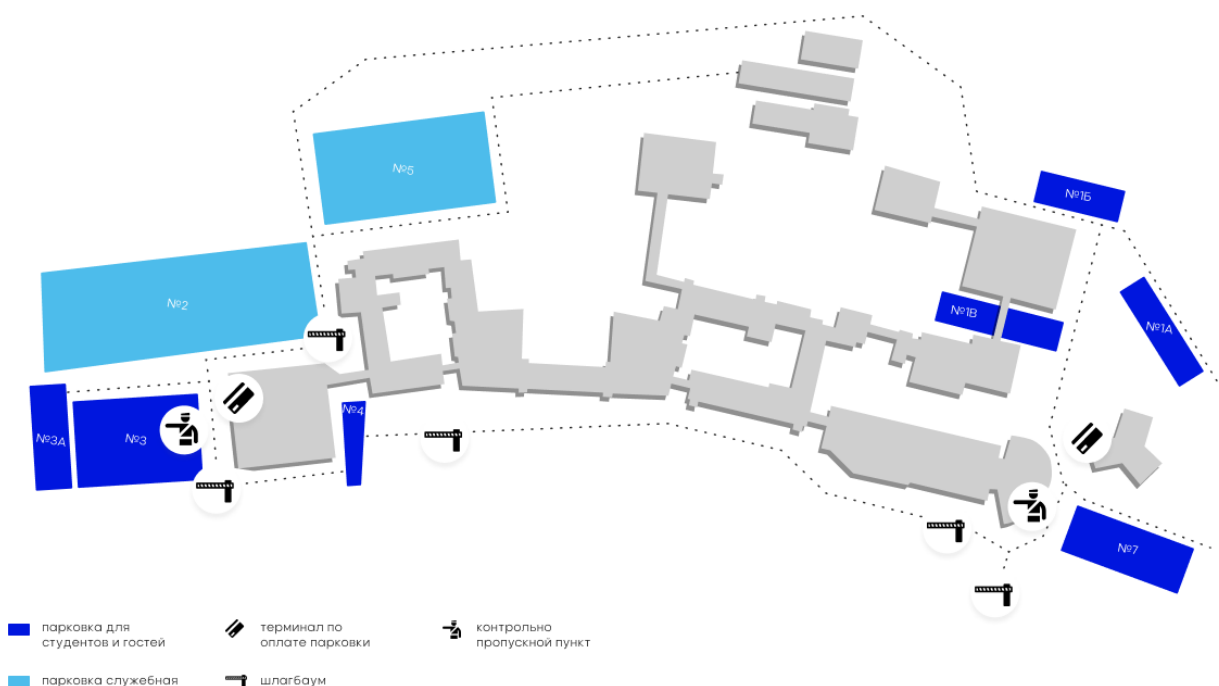

Where to Eat at MGIMO:

- Three-story canteen in the Main Building
- Canteen in the New Building
- Cafe "Gorod" (near Hall 1)
- Cafe "Fresh"

- Cafe "Furshet"
- Cafe Monte-Cristo
- Cafe "Buffet"
- Cafe on the 5th floor of the New Building
- Store "Stupenka"

All cafes can be found on the map:

You can buy water almost everywhere, but it's better to bring your own bottle—there are several purifiers in the University where you can fill up.

Where to Eat Outside MGIMO:

- **Near the "Yugo-Zapadnaya" Metro Station:**
 - Food Hall (Vernadskogo Prospekt, 86v)
 - Many shopping centers, the largest are:
 1. Zvezdochka (Pokryshkina Street, 4)
 2. Avenue SOUTHWEST (Vernadskogo Prospekt, 86A)
- **Near the "Prospekt Vernadskogo" Metro Station:**
 - Rostik's (Vernadskogo Prospekt, 14A), Moscow, several coffee points;
 - We recommend the булочки (buns/rolls) at the "Da!" store at: Vernadskogo Prospekt, 14.
- **Near the "Universitet" Metro Station:**

- A large selection of interesting Chinese establishments near exit 1 and in the Dominion residential complex (Lomonosovsky Prospekt, 25 k5). We recommend trying Malatang or Hot Pot (Hogo).

Where to Go in Moscow besides Red Square?

A good route to see the center of Moscow and see several sights—take tram 39 from the "Universitet" metro station and travel almost the entire route (be sure to sit by the window).

Then at Chistye Prudy you can eat delicious burgers at Burger Heroes (Myasnitskaya St., 38s1) or go to the "Sborka" eco-center (Potapovsky lane, 5s2), buy film in the next door and go to kook/j'pan/ra'men (more details at: <https://lb.group/main>) enjoy Korean and Japanese cuisine and aesthetic desserts (you can always find a promo code for a discount on Yandex Maps).

For book lovers, we recommend Biblio-Globus (Myasnitskaya St., 6/3, building 1, Biblio-Globus Trading House) or the Moscow House of Books (it has many branches, so we leave a link to the website with specific addresses: <https://mdk-arbat.ru/page/contacts>), you can also buy souvenirs there.

After a hearty meal, go for a walk in Zaryadye Park, see the Kremlin, take pictures and, if you have any strength left, finalize at GES-2 (Moscow, Bolotnaya Embankment, 15), go to Museon Park (Krymsky Val Street, 2) and Gorky Park (Krymsky Val Street, 9), go to eat pho bo at "Vo" there.

The holding of the Forum at MGIMO assumes an official style of clothing or casual style of clothing for the participants.
